**Subject:** Re: Possible Statement

We should be aiming at a short simple statement such as:

"The events at issue occurred approximately 15 years ago when I was a teenager. Although I believed then and continued to believe that AD was the person with whom I had sex, recent developments raise the possibility that this may be a case of mistaken identification. "

Alternative:

"that it may have been someone else".

"That someone mistakenly told me it was him."

We should be able to come up with a mutually acceptable statement. It would be acceptable if the statement came from you rather than her, if she prefers.

Have we given up on a mutually acceptable statement from VR or you. Let's keep trying. We are not THAT far apart.
